Let's pray that the message of religious freedom and the mission of Liberty magazine may reach its full potential! "We are blessed that religious freedom is protected and cherished within all the countries that make up the North American Division: Bermuda, Canada, United States, and the Guam - Micronesia Mission. As citizens and church members, it is our responsibility to emphasize the meaning of religious freedom. It is our responsibility to keep before the thought leaders of our governments, the importance of religious accommodation and freedom of expression."
