COPE, Monday, December 3, 4:00 - 6:00 p.m. Morgan Center. For those who have never “walked in their shoes,” we probably have a hard time understanding what life is like for a person who lives in poverty. The Cost of Poverty Experience is a 2-hour interactive event that offers a glimpse into the lives of low-income individuals and families living in our community. Poverty is a nationwide epidemic. 46 million people in America live in poverty. Our community is not exempt. Come and learn what you can do to help make a difference.
