

As of this Sabbath, July 11, we will be back to our regular schedule for service. The same way it was before we shut down.

Sabbath class first at 9:45 and Sermon at 10:45, as it is listed on our website. There will be a short break in between services as there always has been.

As for Coronavirus, if you're sick or not feeling well **DO NOT COME TO CHURCH!!!**.

If anybody tests positive for coronavirus, we will try our best to quarantine all people who have been exposed to that person and request **NO ONE** of them come to church service for 2 weeks. If we are successful at this, we should not have to shut down.

If we have 2 or more cases at a time, we will shut down the church for 2 weeks to clean and then resume services after 2 weeks have passed.

Again, I cannot stress this enough, If you are not feeling well or are unsure how you feel and think you might be getting sick – **DO NOT COME TO CHURCH**.

If you do come down with the virus, please call Ted Coles, 864-518-2058, immediately so we can move quickly and take action necessary to try and keep everybody safe.

We **WILL** get thru this.

Thank you all for your support.
