

In these troubled times, we wanted to share some information with you. Most communication is being sent out via email from Mailchimp and texts from Lorna's phone number. Please make certain that these notifications are allowed on your device. Communications are then filed on the church's website under Grow > Communication Ministry.

As leader of Adventist Community Services and Disaster Relief both with our Tryon Church and this region of the Carolina Conference (including churches in both North and South Carolina), Lorna has resources to tap into that may be useful to you. The supplies we get for *Share Thy Bread* are also available to our church family on the same basis of need as members of the community. The Church Board has asked Lorna to be the contact person for any of these needs. If you or someone you know has lost a job, incurred damage during a disaster such as in recent storms, or otherwise needs food or other resources, please contact Lorna at 828-817-1544 (call or text) or news@tryonsdachurch.org.

We want this communication to reach every member of the Tryon Seventh-day Adventist Church. If you know someone who is a member of our church but who has been "out of the loop," please pass this along to them or let Lorna know so she can reach out. Thank you!
